Assistant Store Manager

Abercrombie & Fitch | June 2020 - June 2021

- Manage store team of 80+ associates to ensure proper execution of store operations and maintenance of healthy work culture.

- Collaborate with 5 other managers to develop strategies for reaching business goals.

- Delegate tasks to team of 15-25 managers and associates daily to ensure completion of store processes in timely manner.

- Provide feedback to 50+ keyholder managers and associates to ensure higher process efficiency, improved time management, and increased customer engagement.

Committee Member

Project Launchpad | March 2020 - May 2020

- Collaborated with 8 teammates in creating and executing a detailed business plan aimed at raising awareness and support of the Davis Sustainability and Innovation Center.

- Sourced a network of voters willing to fill out pledge cards in support of the Davis Sustainability and Innovation Center via personal messaging platforms.

- Worked with 8 other interns to research and pitch a local real estate investment to program directors.

- Conducted 100+ cold calls to eligible voters to gain support of a variety of campaign efforts (such as Flip the West).
